Driver's Side: Tunnel Top

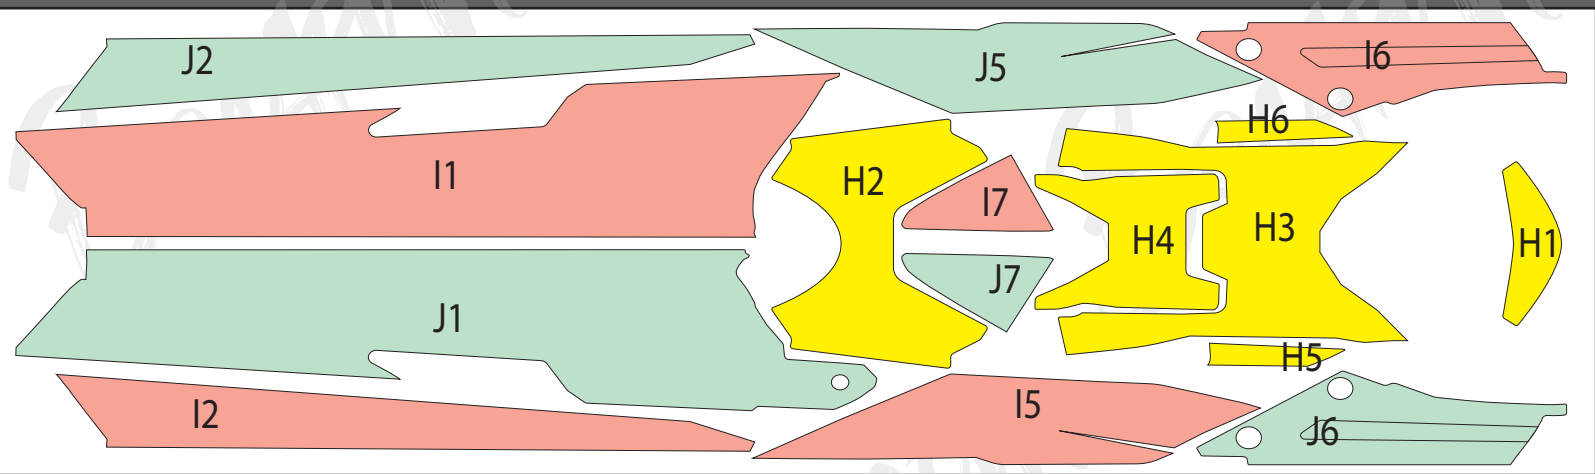

Sled Map

Use this page to find each piece on your sled. The layout shows the sled from above in a flattened view. We have listed out each area by level of coverage on the top of the page to help identify where each piece goes. Each piece has a corresponding letter/number combination to help identify it between this map and the print map.

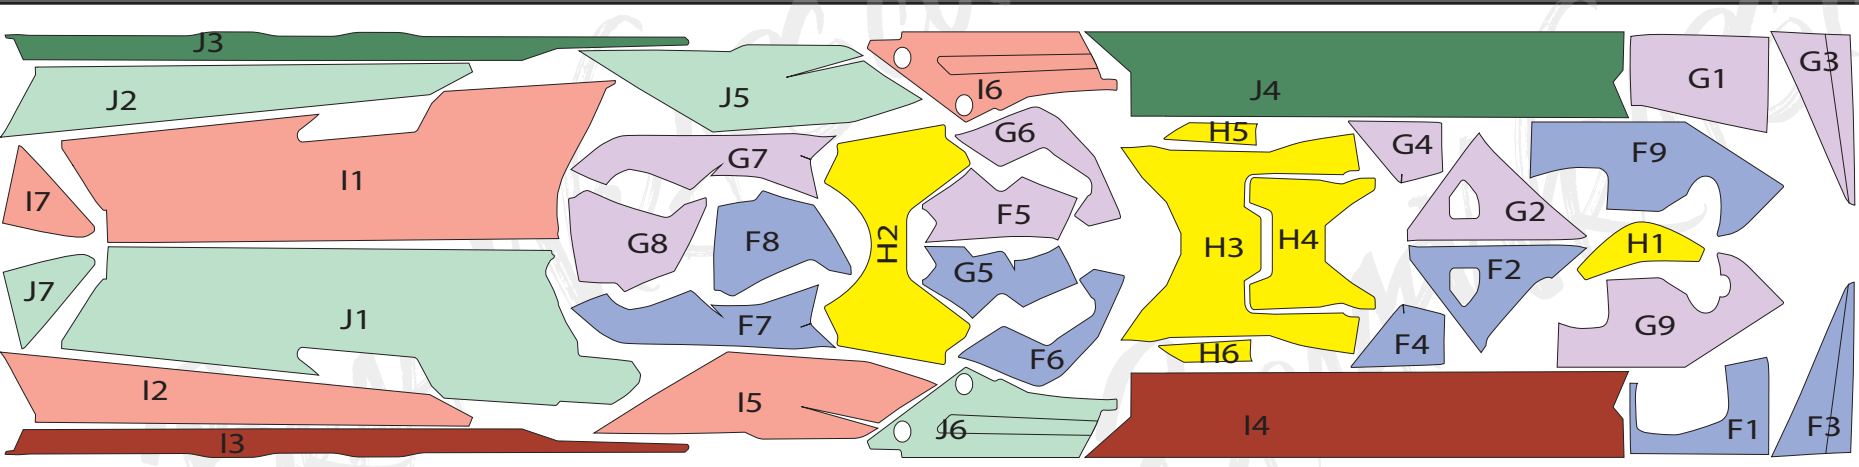

Hood/Side Panel: Print 1
Included in all coverage levels

Mid Coverage: Print 2
Included in mid coverage

Headlight: Print 3
Included in full coverage or ordered as an add on

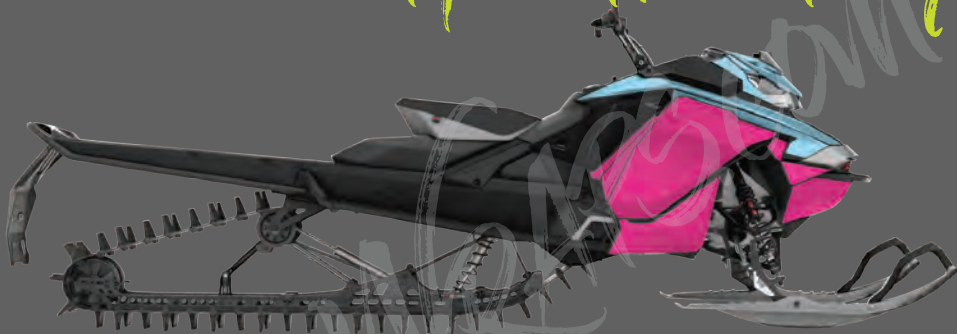

Full Coverage: Print 2
Included in full coverage

Print Map

Use this page to find each piece on each print you receive. We've included layouts for all coverage options so make sure to match your layout with the level of coverage you have purchased

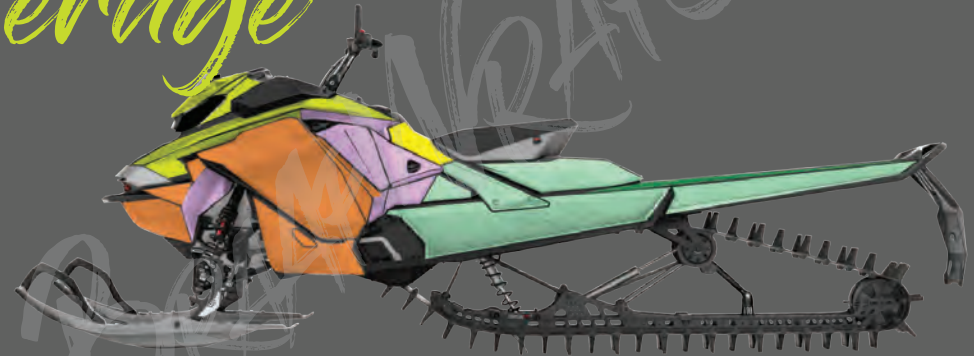

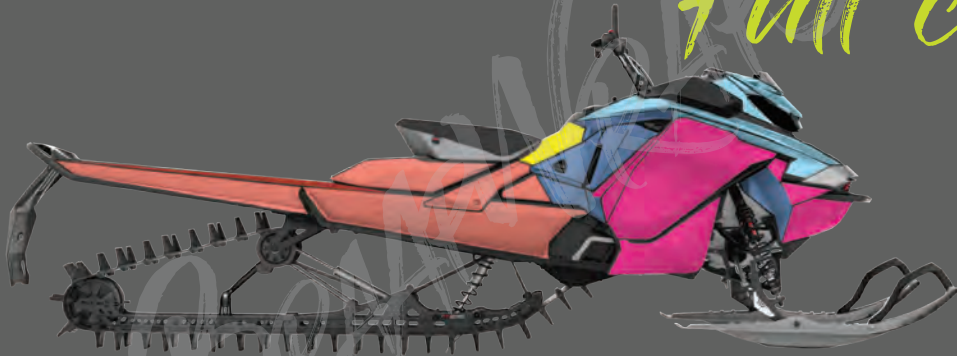

Hood/side panel coverage
